Join a PTO Committee

Please check each committee that you would like to join.

Parent Educational Programming Committee

Work with JCP Counseling staff and other internal and external resources to deliver programs that inform and educate students and families about issues related to high school students, parenting and socially relevant issues and other informative topics.

Hospitality and Concessions Committee

Recruits and organizes parent volunteers and coordinates refreshments for special school events, such as Freshman Potluck, Teacher/Staff Appreciation Day, Musical and Theatrical Performances. Provide support at school open house, new student orientation and other activities, as needed.

Jones Class Sponsors Committee

Works with the designated class (freshman, sophomore, junior or senior), Jones staff member and student council to help plan and implement class events and fundraising activities to help raise money toward class graduation and associated costs. Families incur considerable expenses during senior year, In addition to the graduation expenses such as prom, picnic and other fees, families must pay for college visit, college application fees and other costs associated preparing for college. By raising money in the 9th - 11th grades, the PTO hopes our graduates' families will not have to bear such as heavy financial load

Parent College Committee

Works with JCP counseling staff and other resources to offer information and programs to parents and students about college preparation. Assists with planning, coordinating and implementing informational meetings for parents at all grade levels to provide college-planning resources.
